Friday.....Spanish (am) Art (pm)

Reminders

November 12th Dominos Pizza Night
November 12th Board Meeting 5:30
November 20th Last Day of Swimming
November 21-23 Thanksgiving Break

Peek at the Week

As the weather continues to get colder please bring warm clothing for your child. We will be going outside, even if it is for a minute if the temperature is above zero. This week the kids drew self portraits focusing on portraying the color of their hair, eyes, and skin in their colorings. They also worked on measuring. They used dog bones to measure themselves. We talked about the functions of the major organs in their body - heart, lungs, brain, muscles, skeleton, and stomach. Your child should be able to tell you the role of each.

Thank you to Tristan, Bridger, Remi, Henry, and Rilynn for bringing snack.
