Peek at the Week

Thanks to all of you that helped and contributed with the Halloween party. Parties are a hit because of all you – I appreciate you all.

Also, thanks to all of you for raising such great kids, I am truly lucky to have such an awesome class! It was nice to visit with you at parent teacher conferences. If you would like to meet anytime before spring – I am available.

This week we worked on initial constants/letter matching, 1:1 correspondence with spider book and skeleton picture, and I think the most favorite was the fizzing eyeballs for our science activity.
