First few days were a success. Love the kids. We have had many changes that I am not used to, but the kids have adjusted very well. Thank you for being so understanding during these times. Kids have been doing well wearing the masks.

We will be going to the park a couple times a week next, please send kids with comfortable shoes on Wednesday and Thursday.

This week we will be doing many activities with our names. The kids will also be sharing their all about me homework. IF you haven't done the all about me sheet, please finish and bring in. Thank you.
