

PRESCHOOL NEWSLETTER

Week of August 31st

We made it through the first week! There are many changes that the staff are getting used to, so thank you for being patient with us! We will continue working on school routines and rules this week. We will learn how to use our individual pouches (markers, scissors, glue, crayons, etc.) and do some name work as well. The kids are doing a great job and I hope they are enjoying their time at the Open School!

REMINDERS

- Please label snacks as AM/PM with names on them. The way we are doing snack is very new! It is easier for us if the snacks are placed in a separate container from lunch boxes. Thank you for bringing snacks every morning!
- Slippers- please send slippers that children can easily manage themselves. This helps them practice getting them on/off as we will need to wear slippers during winter months to protect floors and keep the classroom from getting wet.
- Thank you for being cautious about entering the building. We are doing our best to make sure inside traffic remains low so we can keep everyone safe!

IMPORTANT DATES

September 7th- No School (Labor Day)

September 28th- No School (Staff Development)

Scholastic Books- I will place a catalog for a Scholastic Book order in take home folders this week. Scholastic book orders are a great way to support the school! We get to use Scholastic “dollars” to buy new materials for our classrooms. Last year, I was able to buy a brand new carpet for circle time!
