

August Newsletter

Hello, It looks like we have many kids who are returning to the school and many new faces. I look forward to seeing everyone at the open house.

A little about myself, my family moved to Laramie 9 years ago this month. We love to spend time outdoors and our highlight for the year was spending a week in Pinedale, enjoying the great outdoors. I have been a teacher at the Open School for 8 years. I have a bachelors degree in Elementary Education with an emphasis in Early Childhood. I am excited to get back into the swing of things and have some fun with your kids.

The class assistant will be Willow this year. She has been with the school the last two years and is a wonderful addition to the school. She will be teaching music to all the classes.

You should have received an email announcing our open house that will be on August 24th and I hope you will be able to attend. If you did not receive this email, please let me know. Orientation is that same night via zoom at 6pm.

First day of School is the 26th and dismissal will be at 11:30.

Also, can you send me a picture of your child or bring one with you to the open house please.

A few reminders: It would be very helpful to practice certain skills with your kids before coming to school. For example, mask wearing, hand washing, and maybe have a conversation about personal space. This year is going to be a little different, but I am committed to helping the kids feel comfortable and safe at The Open School.
