

PRESCHOOL NEWSLETTER

Week of September 7th

This week, we will kick off our fall themed units. We will learn all about apples! Art with Miss Tasen starts this week as one of our afternoon enrichments.

REMINDERS

- Please check weather in the mornings and send children with appropriate gear. It's that time of year when it's very chilly in the morning. We will always go outside unless it is below 0 degrees.
- Although we didn't want snow in September, it gave us a look on snow clothes. Please continue practicing getting clothes on/off as it helps us with transitions!

IMPORTANT DATES

September 28th- No School (Staff Development)

Family Pictures- Miss Shelly would like to gather family photos from all families attending the Open School. Since our family nights are put on pause due to COVID, Shelly is planning to make a virtual photo book to showcase families. Please send a photo to Shelly with a short blurb on your family (names of members and something you like to do as a family). If you have already sent me a family photo through email- I can forward it to her.
