## Week of October 5<sup>th</sup>...

We are continuing our dinosaur theme another week. Kids love the dinosaur activities. We didn't get to the virtual dinosaur museum this week, but we will attend this upcoming week. We have had fun watching a volcano explode, seeing the actual footprint size of a T-rex, and making our very own shape dinosaurs. Most specials have started and have been a blast. Kuddos to University of Wyoming Art Museum, Tasen, and Willow for doing a fabulous job. Spanish will start this week.

## A Few Reminders...

In the next couple weeks I will be sending out an assessment sheet and questionnaire for you to fill out. These will be for the optional zoom/phone conferences that will be held on October 21<sup>st</sup>. Shelly will send out a sign-up sheet. It will look similar to the open house sign ups that we had. We will be having a Halloween Party on October 30<sup>th</sup>. All kids can attend if they don't normally attend, parents cannot. I will be sending out a wish list for the party. If anyone could help with that it would be greatly appreciated, thank you.
