

# PRESCHOOL NEWSLETTER

Week of November 30th

I hope everyone had a happy and relaxing Thanksgiving! This week, we'll focus on shapes. We incorporate learning about shapes every week, but we'll take the time to build recognition and learning the names of different shapes throughout the week with small and large group work. On Wednesday, your child can bring something from home (toy, manipulative, etc.) that is a circle, square, or triangle. We will classify and graph the items brought in. In the following weeks leading up to winter break, we will talk about Christmas traditions around the world.

## REMINDERS

- Please bring back snow clothes and any other items taken home to be washed over break.

## IMPORTANT DATES

**December 21-Jan 1-** Winter Break

**Open School Movie Outing-** Every year before winter break, we go as a school to watch a movie at the theatre. I am so happy that we are able to go this year! Information on the movie was sent out in backpacks. If you didn't get a copy of the information sheet for the movie, let me know and I can find one for you.
