

November Newsletter

Week of November 16th

We are on the letter Hh for the week and we are going to focus on harvest and food. We will talk about the food pyramid and have some food fun. We also have a fun Snoopy Thanksgiving planned.

I realize my class book orders went out the same time book fair is, sorry about that.

Purchase however you see fit, it supports the school either way. Sorry about that.

A few Reminders...

The school gave each of the kids a buff to wear outside for recess. If you don't mind washing these along with all their other masks once a week that will be great. Thank you for all your diligence with the masks 😊.

There will not be any school the 25th -27th .

Don't forget to check out the online auction, bidding ends on November 21st.

Dates to Remember....

November 16th – Popcorn Orders Due

November 24th – Snoopy Thanksgiving

November 25-27th – No School Thanksgiving Break
