

November Newsletter

Week of November 23rd

Next week we will be doing some Thanksgiving crafts and games. The following week we will be having a gingerbread theme. I will be sending home a gingerbread man that the kids can turn into whatever they want. Kids will tell you all about it. I also will be sending a Holiday tradition sheet home for homework. So be looking for both these assignments in your child's backpack next week and return them back to me.

A few Reminders...

No school the 25th – 27. I hope everyone has a nice Thanksgiving. Don't forget to check out the online auction, bidding ends on November 21st.

Our Snoopy Thanksgiving is on the 24th – it will be in the morning at 9:45 – 10:30. If your child doesn't normally attend that day, they are welcome to come during that time.

Please take home and wash water bottles and masks. We will put all their items in their backpack for you.
