

November Newsletter

Week of November 9th

This week we are continuing farm activities. We have focused a lot on the words (I and See) we created a book and each child contributed a page that include those words. It might be fun as you are reading with your child to point out those words☺.

We had our first birthday of the year in the class last week. Happy Birthday Emma. For the kids that have summer birthdays – please pick a day that we can celebrate them and let me know. Half birthdays are fun to do, but if that doesn't work – any day you would like is fine. Thank you.

A few Reminders...

Weather is constantly changing. Can you please send your child with appropriate clothing. We go outside if temperature is above 0.

Board meeting is via zoom at 5:30, November 10th . If you would like to attend let Shelly know and she will send you the link.

Dates to Remember.....

November 10th – Board Meeting via Zoom 5:30

November 24th – Snoopy Thanksgiving

November 25-27th – No School Thanksgiving Break
