Week of January 11th ...

Kids came back like they had never been gone. The weeks transition was very smooth and everyone was so happy to see one another. They were especially excited to have Branik and Parker in our class.

We are on the letter Kk. We will do some wintertime activities, with our focus on the artic.

A few Reminders...

We go outside as long as the temperature is above zero. Please bring appropriate winter gear, so your child will be comfortable.

Board meetings are typically the second Tuesday of every month. So our first meeting of the year is on the 12th. If you would like to attend, please let Shelly or myself know and we can send you a zoom invite.

Dates to Remember...

January 4th – Back from winter break

January 12 – Board Zoom Meeting (5:30pm)

January 18 & 19th – No School (MLK)
