

PRESCHOOL NEWSLETTER

Week of January 4th

I hope everyone had a fun, safe, and relaxing holiday break! This week, we will not have a theme and will focus on readjusting to being back at school after a long break. I am sure the kiddos are excited to see their friends and teachers! I rearranged the cubby room, so each child will have a completely new cubby spot for a fresh start. We will review the uppercase letters that we have learned and practice name writing. We also have a new friend joining our class named Lincoln 😊

REMINDERS

- Please bring back slippers, change of clothes, water bottles, snow clothes, and extra masks. Thank you!
