Classroom News

This week we are celebrating kindness and what it means to be a good friend. Throughout the year we do a lot of activities and discuss what it means to be a good friend to help students form friendships and build a trusting classroom community. We will also discuss love and what it means to them.

Valentines' day party Feb. 14th from 10:00-11:30am. Sign up sheet attached to the email. If you have a game or party idea, please let me know. I would like for families to be involved as much as possible. We have 18 students in our class, please bring in Valentines. If you would like to only fill out the front on them that is fine because it makes them a lot easier to pass out.
