1

Planet Kindergarten - Sue Ganz-Schmitt

Prepare young explorers to boldly go where they have never gone before: Planet Kindergarten. This adventure is fun, exciting, and confidence-boosting, helping kids get ready for liftoff.

2

Miss Bindergarten - Joseph Slate

In this series, join Miss Bindergarten and her class of animal characters in their wild classroom.

3

Wemberly Worried - Kevin Henkes

Wemberly is a worrier, and she worries most about the first day of school. But when she becomes friends with a fellow worrier, she realizes school is too fun to waste time worrying.

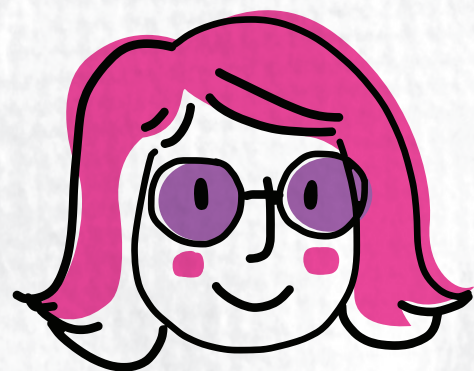

4

Kindergarten, Here I Come! - D.J Steinberg

This story goes from the first day through the last day of kindergarten, highlighting the friendships and memorable moments kids experience throughout the year.

5

Junie B. Jones - Barbara Park

Junie B. Jones' adventures begin while she's en route to her first day of kindergarten. She's fun, funny, and relatable to kindergarten families!

6

The Kissing Hand - Audery Penn

School is starting in the forest, but Chester Raccoon doesn't want to go. His mom shares a family secret called the Kissing Hand to help reassure him any time the world feels a little scary.
