

HERE'S the SCOOP

April 29th - May 3rd

LOOK WHAT WE ARE LEARNING

We learned all about things Spring, why it rains, and why the wind blows.

Next week we are going to learn about the plant lifecycle, importance of bees, and beautiful butterflies.

Please note that next week for our alphabet countdown your child can bring their favorite board game to play on Monday and a favorite joke to share on Thursday.

All moms are welcome for the Mother's Day Tea on Friday, May 3rd. I hope you can all come and enjoy a tea party with our class family.

If you have any donations such as: bikes, toys, or clothing we are happy to take them.

Please make sure your child has a face sunscreen stick.

This week's academic focus:

Literacy: Heggerty Week 28

Math: Subitizing, Number Bonds, Writing Numerals 15-20, Noticing Same and Different, Shapes
