

# HERE'S the SCOOP

May 6<sup>th</sup> - 10<sup>th</sup>

## LOOK WHAT WE ARE LEARNING

Last week, we learned about the parts of a flowering plant by creating an edible model. We experienced first-hand how hard worker bees work to get nectar by running a nectar relay. We ate our way through the life cycle of a butterfly.

Next week, we will be exploring birds, examine bunnies, and go on a bird scavenger hunt.

This week's academic focus:

Literacy: Heggerty Week 29

Math: Subitizing, Number Bonds, Writing Numerals 1-20, Noticing Same and Different, Shapes

## FRIENDLY REMINDERS

- **May 9<sup>th</sup> Graduation 6:00 – 6:30 p.m.**  
**Civic Center South Gym**
- **May 13<sup>th</sup>-18<sup>th</sup> Miss Joni on Vacation**
- **May 24<sup>th</sup> Last Day of School**
