This week we will learn All About Me through songs, games and stories. Students will also learn how to use our safe spot in our classroom. How to calm down using different tools, our feeling buddies, calm down breaths and sensory toys.

We will continue learning and reviewing our problem-solving strategies. Each problem-solving strategy is paired with a visual support, and we have a poster hanging up as well.

We will be focusing on the first initial of our names. Our class is also learning the difference between letters and numbers; horizontal and vertical lines in our scribble journals.

Music, Spanish and sign language starts this week in the afternoons. We will talk about safety and what emergencies are with a fire drill on Wednesday morning.
