

HERE'S the SCOOP

October 20th - 24th

LOOK WHAT WE ARE LEARNING

We learned about the life cycle of the pumpkin, sorted pumpkins by how they would be grouped in a pumpkin patch, lined them up in ascending order, and used our five senses to describe them. Next week we will be identifying emotions, , eating pumpkin pie, learning about attributes of a pumpkin, spheres and discover what is on the inside of our pumpkins with a pumpkin dissection.

I will have a Halloween Party sign up sheet on Monday if you would like to bring something for our party. We make a witches' brew academic snack and Frankenslime. Thank you!

This week's academic focus:

Literacy: Review all the sounds on our sound walls, write the letters Y and Z and begin sound and letter recognition for a /a/

Numbers and Math: Matching objects that are the same, Sorting by color, Opposites, and Sorting by size

FRIENDLY REMINDERS

- October 21st - Parent Teacher Conferences a.m.
- October 23rd - Parent Teacher Conferences 3:30 - 6:30 p.m.
- October 29th - Half Day
- October 30th and 31st - No School
