

# HERE'S the SCOOP

November 17<sup>th</sup> - 21<sup>st</sup>

## LOOK WHAT WE ARE LEARNING

We've had a delightful time embracing the spirit of Autumn! From observing seasonal changes to asking curious questions and diving into fall-themed learning.

As we head into the next week and a half, we'll be exploring:

Turkey-themed books and activities that spark imagination and laughter

The Wampanoag Tribe and the first Thanksgiving, helping us understand the history and traditions behind the holiday

If you'd like to contribute to our Thanksgiving Story Mix, a sign-up sheet is posted on the classroom news board.

With colder weather settling in, we'll be taking a break from bike riding. Please remember to take your child's bike helmet home this week.

Thank you for being such an important part of our classroom family!

**Next week's academic focus:**

**Literacy:** f/F/: The grapheme F spells /f/ , i/I/: The grapheme I spells /i/

**Math:** Numerals 4, 5, 0, and number order
