

HERE'S *the* SCOOP

February 2nd-6th

LOOK WHAT WE ARE LEARNING

We had so much fun learning about Arctic animals. For the month of February, we will be celebrating Black History, learning what it takes to be a good friend, what it means to be kind, and Valentine's Day.

The 100th day of school is Wednesday, February 4th. We will be doing lots of fun counting to 100 activities. a 100th day snack mix with 10 food items (sign-up will be on the classroom news board), and have pizza and carrot sticks for lunch. So, good news, you don't need to pack a snack or lunch on Wednesday.

Swimming begins again the week of February 11th.

This week's academic focus:

Literacy: : The grapheme K spells /k/, The grapheme H spells /h/

Math: Finishing and Extending Patterns
