WHAT WE'RE LEARNING

Reading

This week we will be reading fun books about being at school, friendship and manners. We will read *Maisy Goes to Preschool* by Lucy Cousins.

Literacy

The first few week literacy time will look a little different. We will be learning all about class expectations, how to use our classroom supplies and play at centers.

Math

This week we will learn some fun counting songs, poems and sorting. I will assess what the students know about numbers and counting.

Science

Students will be introduced to the science center. Learn what a scientist is and how to explore the materials.

NOTE FROM TEACHER

Thank you to all the families that could make it to open house. It was so nice to see everyone again or meet you for the first time! I can't wait to see everyone next week!!

-Ms. Reanna

THEME OF THE WEEK

All About School

The first couple weeks we have TK bootcamp! We will be working on routines and becoming comfortable with the teachers and our new friends. Social skills in relation to how they fit into a classroom environment such as following directions, lining up and learning to sit at circle time.

WORDS OF WISDOM

"Let go with love, hold on with pride. They're ready for this step because of the love and guidance you've given." We will have a great first day of TK!
