PHOTO HIGHLIGHT

We have really enjoyed puzzles this week!

WHAT WE'RE LEARNING

Reading

This week we will be reading fun books about Colors, Problem solving and friendship. We will be reading Cats Colors, What Should Danny Do and Problem Solved.

Literacy

During literacy time we will continue to learn all about class expectations, how to use our classroom supplies and play at centers.

Math

Unit 1 - Intro to Sorting
Continue to assess math skills

Science

All About colors -
Investigating how colors mix together and change through various color mixing experiments and challenges.

NOTE FROM TEACHER

Welcome back to the second week of TK! This is a great time to reinforce routines, celebrate small achievements, and keep the learning spirit alive. Remember, every question, every try, and every smile is part of their growth. Keep cheering them on from home - you're the best teacher they have!

-Ms. Reanna

THEME OF THE WEEK

All About School

This week we are continuing our TK bootcamp! We will be working on routines and becoming comfortable with the teachers and our new friends. Social skills in relation to how they fit into a classroom environment such as following directions, lining up and learning to sit at circle time.

WORDS OF WISDOM

"Behind every young child who believes in themselves is a parent who believed first." - Matthew Jacobson

WHAT WE'RE LEARNING

Dear Families,

I am so excited to share with you our Super Improver Wall! We will be working on improving individual goals from academic to behavior to manners! I am a firm believer in this highly successful individual motivator. When your child moves up on the Super Improver Wall, he/she will bring home a glorious certificate showing their achievement. Celebrate with them! I look forward to all the growth we will see this school year!

REMINDERS
