WHAT WE'RE LEARNING

Literacy

This week we will be reading *When Sophie Gets Angry*. We will be focusing on the story element of characters as well as the main idea of the story. We will also talk about different emotions.

123 Math

Unit 1 - Intro to Sorting numbers 1-5
Continue to assess math skills

Science

All About colors -
Investigating how colors mix together and change through various color mixing experiments and challenges.

Poem

Sometimes I feel happy.
Sometimes I feel sad.
Sometimes I feel scared.
Sometimes I feel mad.

We all have different feelings.
They're a part of me and you.
How do you feel today?
Are you glad or are you blue?

NOTE FROM TEACHER

We are diving right into our curriculum and will be learning how to writing different lines, numbers and discussing our emotions. Dont be surprised if your child comes home very tired over the next few weeks. It can take a while for students to get use to the schedule. They are busy learning and playing!

-Ms. Reanna

THEME OF THE WEEK

All About Me

This week we are continuing our All About Me unit with emotions.

WORDS OF WISDOM

Let them explore - Messy play, endless "whys," and little adventures are how they make sense of the world.
