WHAT WE'RE LEARNING

Literacy

This week we will be reading *Stick and Stone*. We will be focusing on the story element of characters as well as identifying the main idea. How can you be a great friend to someone else?

Poem

I'm a good friend when I play with you.
I'm a good friend when you're sad and blue.

You're a good friend when you help me out.
You're a good friend even when I pout.

I'm there for you, and you are there for me.
Best friends forever we will always be!

123 Math

Unit 1 - Intro to 2D shapes
numbers 1-5
Continue to assess math skills

Science

All About Leaves -
Investigating how leaves
change color and fall off of
trees through various
experiments and challenges.

NOTE FROM TEACHER

It's that time of year where colds and flu are starting to go around. Just a reminder to please keep your child home if they have a fever for 24 hours and if there symptoms keep them from fully participating in class.

-Ms. Reanna

THEME OF THE WEEK

All About Me

This week we are continuing our All About Me unit with Friendship.

WORDS OF WISDOM

"Think of TK as your child's first garden. Play is the sunshine, mistakes are the rain, and your steady love is the soil where everything takes root."
