A QUICK NOTE

It's hard to believe that October is almost over! Please make sure to look over students work in their take home folders. They have been working hard and learning so much.
We got our first snow of the year last week. Now would be a good time to pack and start keeping cold winter gear at school. Please make sure that your student has water proof gloves, we like to play and build snowmen in the snow. We can help make sure these come home on the weekends for washing or snow adventures!
The Halloween party is Oct. 28th and we still have a few things left on our sign up sheet if you would like to bring something or volunteer. Link in the email.

REMINDERS

- Email or bring in a family photo to leave at school.
