

HERE'S the SCOOP

November 15th – November 19th

LOOK WHAT WE ARE LEARNING

I can't believe that we are already in the middle of November. The kids have learned about male and female pinecones, that pinecones open and close according to weather, how to spell and read the word and objects that begin with the letters C and U. We have an exciting week coming up. We are going to have a special guest, Chandelle Macdonald, visit on Tuesday, November 16th. She is going to do a lesson about Native Americans and a craft with the kids. Our theme for this week and next week is Thanksgiving. We will be acquiring new knowledge about the Wampanoag Tribe, Plymouth Rock, and the pilgrims. Our password will be the word the. There will be a sign-up sheet for our Thanksgiving Story snack mix on our Classroom News board if you would like to sign up.

Readiness and Writing: We will continue to work on crayon/pencil grip and where we start our letters

Language and Literacy: We will be developing new skills on how to break up sentences and count how many words are in a sentence. We will discover things that begin with O and Q.

Word Time: This week's vocabulary words are: two and number, curved and pointed, triangle and shape.

Numbers and Math: We will be doing fun activities with more and less and longer and shorter. We will continue to work on teen number recognition.
