- Closed Sept. 4th for Labor Day

Week two we are still working on our routine and becoming comfortable with the teachers and our new friends. Social skills in relation to how they fit into a classroom environment such as following directions, lining up, learning to sit at circle time. we are implementing these skills through songs, games and stories. The students are learning each others' names through songs and games. How to use and clean up classroom supplies and center toys.

All the students now have their photos on there cubbies as well as the water bottle holders inside the classroom on the black cabinet. Please help your child with the morning drop off routine. Putting their water bottles and lunch away. The morning sign-in is also ready. They will need to move their name tag from at home to at school every morning. This is to help students recognize and learn what their name looks like.
