Classroom News

This week we will continue to learn All about Me and My Emotions through songs, games and stories. Students are learning how to use our safe spot in our classroom. How to calm down using different tools, our feeling buddies, calm down breaths and sensory toys. We are also learning problem-solving strategies at school. Solving problems is hard so we are learning strategies we can use to solve our problems. Each problem-solving strategy is paired with a visual support. We have a poster for visual support in our calm down area. We will be focusing on the first initial of names and the letter L. Our class is also learning the difference between letters and numbers as well as horizontal and vertical lines.

Sign Language with Miss Savannah will be on Mondays at 2pm

Next week Spanish will start on Thursday with Miss Brea at

10am
Music with Miss Aysia will be on Wednesdays at 10am.
