

# HERE'S the SCOOP

October 16<sup>th</sup> – 20<sup>th</sup>

## LOOK WHAT WE ARE LEARNING

This past week has been all about pumpkins. We learned that pumpkins are a fruit that grow on a vine. We used our five senses to describe our pumpkins. We also learned about the life cycle of a pumpkin. This coming week we are going to talk about different emotions, sort pumpkins, eat pumpkin pie, and discover what is on the inside of our pumpkins.

This week's academic focus:

**Literacy:** Sound and Word Blending, Drawing Loop Hooks, Canes and Tracing Names.

**Numbers and Math:** Size Comparison, Counting, subitizing, estimation

## FRIENDLY REMINDERS

- **October 14th (9:30-12:30) UW Big Event/Fall Clean Up**
- **October 17th (Morning) Parent Teacher Conferences**
- **October 25th Early Dismissal/Parent Teacher Conferences**
- **October 26th-27th No School**
