

HERE'S the SCOOP

November 13th-17th

LOOK WHAT WE ARE LEARNING

This week we will continue discovering fall. We will be learning about forest animals, favorite things about fall, and the Wampanoag Tribe.

In regards to the alphabet tote, one child will take home the tote. Each child will find items in your home that begin with a certain letter sound. I will have a note in the tote letting you know which sound and the date to return it. Your child will then present all the items to their class family the day the tote is returned.

Please make sure that your child has gloves, hats and warm coats.

Thank you!

Next week's academic focus:

Literacy: Review /m/, /t/, /d/, /g/, /a/, /o/, /i/

Math: count objects with a friend, subitize, sorting, and ordinal numbers
