Things to Remember

Classroom News

- Bring in extra clothes.
- Please sunscreen your child before coming to school each day.
- Label snack AM/PM
- Please bring in a bike helmet to leave here.
- Sept. 2nd No School
- Sept 9th bring in All About Me Bags

The first week of school went great and we have a wonderful group of students in our class. It has been so fun getting to each one of them! We are continuing to learn our class routine and becoming comfortable with the teachers and our new friends. Social skills in relation to how they fit into a classroom environment such as following directions, lining up, learning to sit at circle time.

We are learning problem solving strategies at school. Solving problems is hard so we are learning strategies we can use to solve our problems. Each problem-solving strategy is paired with a visual support. We have a Problem-Solving Poster for visual support in our classroom. We will be learning our problem-solving strategies through various books, activities and puppets.

The most learning occurs when we work together as a team so try using these strategies at home too!

- Get a timer
- Wait
- Make a deal
- Stop and think
- Apologize
- Ignore
- Play with someone new
- Walk away
- Say “please stop”
- Get help
- Ask
- Say how you feel
- Play together
- Share
- Trade
- Take turns

This week we will have water day on Wednesday afternoon and walk to Laprele park on Friday afternoon (weather dependent)

Please let me know if you have any questions.
