

HERE'S the SCOOP

September 23rd - 27th

LOOK WHAT WE ARE LEARNING

We have had a great month reviewing classroom expectations and learning more about our classmates and how we are all special and unique.

We begin our apple theme this week. Please send an apple that is your child's favorite variety. We are going to do many fun activities with them. Thank you!

We are going to begin our math and literacy curriculum. There will be worksheets that extend the learning in your child's folder. It is up to you if you would like to do it at home with your child. You do not have to return it, only if your child wants to show me their amazing work.

We are sending home our *All About Me* book and our *Children, Children Who Do You See* book. We hope you enjoy getting to know our class family. Please send the book back the next day. Thank you!!

Next week's academic focus:

Literacy: Awareness of Noises; Prewriting Skills, Vertical Line, Horizontal Line; Blending Pretest

Math: Sorting and Colors: red, green, orange, and blue

FRIENDLY REMINDERS

- September 27th - No School
- October 11th - Windy Farms Field Trip
- October 30th - Half Day
- October 31st and November 1st - No School
