

HERE'S the SCOOP

September 30th - October 4th

LOOK WHAT WE ARE LEARNING

This week has been filled with fun and interesting facts about apples. We tried apple streusel, apple crisp that Teddy and his mom Robin made that was so delicious, apple pie, and apple butter.

Next week we will add science experiments to our apple theme, do a taste test, and make a graph with our favorite apples.

Next week's academic focus:

Literacy:

Lesson 5: Awareness of Noises and Words;
Prewriting Skills: Circle, Diagonal Line,
Square, and Writing Strokes Pretest

Math:

Sorting and Colors: yellow, purple, pink, and brown
