School Presidents
Day

Over the next two weeks we are exploring the Artic. Learning all about Polar Regions and Artic animals, where and how they live. Students will learn what animals live in the north and south poles, what camouflage is and why animals need it. We will explore the size of penguins and how tall they are compared to them. We will also discover the size of a polar bear's paw print compared to their own feet.

Please bring in snow clothes and dress your child in layers. If you can please bring in snow gloves instead of cotton gloves. The cotton gloves are getting very wet and not drying by the time we go outside again. Please leave snow boots and pants at school during the
